

HARPERSFIELD TOWNSHIP

REGULAR MEETING

Held on April 28, 2025

The Board of Harpersfield Township convened in regular session from 7:00 pm to 8:13 pm in the Administration Building. Lisa Linehan called the meeting to order with the following members and visitors present:

James Pristov

Mickey Mihalick

Ed Spoor

Lisa Linehan

Employees: Larry Lister

Visitors: Kim Gregory and Jerome Klco

Jim made a motion to accept the minutes; Lisa seconded; the Board voted unanimously in favor.

Larry reported that Frank talked to the Spire about the burn pile. The Spire said that they will not burn anything but wood in the future.

Ed reported that he had 2 calls about road being swept. Cody will try to get to them as soon as he can. He has been very busy with repairing roads and mowing.

Jim made a motion to pay the bills; Lisa seconded; the Board voted unanimously in favor.

Lisa reported:

April 28, 2025 Trustee Meeting Report

1. Email re: migrating our website from .us to .gov domain. Gary reached out to tech support and received the instructions for switching to a .gov domain. It was very extensive and would require upgrading to systems we do not currently have. Given the short notice, upcoming deadline to apply, and the likely loss of Gary as our web manager, I thought it best not to proceed.
2. Covered bridge festival update: Gazette Newspaper published an article last week, siting that the Harpersfield Covered Bridge and Smolen Bridge will host most of the festival. This was a quote from Ginger Whitehead.

3. Spire confirmed that they received our new deadline for the removal of the storage units by August 1, 2025. They plan to have them removed by July 1st.
4. Spire and Harpersfield's facebook page: want to start collaborating and tagging us in Spire events that might be applicable to the community. I will reach out to Allison Feldman.

Jim reported that he attended, on behalf of the Ruritans, the event at Cork Elementary where the Easter bunny came and passed out candy to the students.

He also attended, on behalf of the Ruritans, the Earth Day tree give away at Cork Elementary. They have been doing this since 1998. First Energy donated the dogwood trees and also attended the event.

Ed reported that he filed for the housing technical assistance grant which will be used for zoning if received.

Meeting adjourned until May 12, 2025.
